Professional golfers support amateurs!

"World Golfers Championship is a wonderful initiative! We are delighted that Sven Tumba gives the Swedish amateur golfers a championship of their own. This includes the young golfers. We are all amateurs at the beginning and WGC can make you feel like a Tiger in your own skill level. Good luck to all participants, both young and old!"

Ambassadors:

Liselotte Neumann, Jesper Parnevik, Catrin Nilsmark, Mathias Grönberg, Peter Hedblom, Per Ulrik Johansson, Fredrik Jacobson, Joakim Haeggmann.

"We support the amateurs and professionals of the future. You too can join!"
